# Quality Improvement Plan Summary

## Victor Harbor Community Kindergarten

### Goals

To strengthen children's play skills to develop respectful relationships that enhance their learning.

### Challenge of Practice

If we develop educators understanding and implementation of purposeful play and emotional learning and development, then children's relationships and learning will improve.

### Success Criteria

- children will;
- positively engage with their peers and adults (listen, take turns, share)
- use appropriate oral language/ non-verbal cues to communicate their thinking
- respond to and pose questions to make meaning
- Engage in different types and levels of pretend play

### National Quality Framework Priorities

To strengthen our processes in place to internationally teach children to become more environmentally responsible in the kindy and our local community.

### Key steps

- Intentionally put it in our program.
- Have a theme every term, we are collecting bottle tops
- Go for regular walks to pick up rubbish
- Investing in proper bins
- Encouraging families to recycle everyday items e.g pens, batteries, toothbrushes
